Yearbook Staff

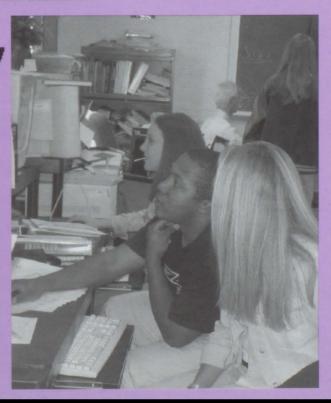

The staff of 2003-2004 has worked very hard to put together this year's 50th volume of the Growl. The computers gave us somewhat of a hard time but nonetheless our staff stuck with it. This year's staff consisted of the following students - Seniors: Anna Elder, Katie Forehand, Dextor Gore, Abbie Jones, Lacey Jordan, Maggie Moughan, Christa Vongsavanh and Krista Weiner - Juniors: Kurt Johnson, Amanda Lockaby, Jennifer Weidner, Ashley Welton and Casey White - Sophomores: Victoria Greene, Zach Norsworthy and Anna Tripp. We hope all of you will enjoy your 2004 Growl.

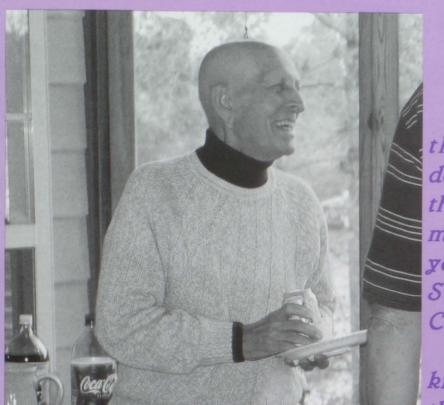

A Special

"DOC"

Each year, the Growl staff has the the privilege of selecting deserving faculty members to whom the yearbook is dedicated. After much thought and discussion this year's staff chose to honor Dr. Stanley Bobinski and Mr. Ron Colvard.

Most students at JCHS know Dr. Bobinski as "Doc", even if they've never had him as a teacher.

Dr. Bobinski has dedicated numerous years teaching English, as well as sponsering numerous classes and

Mr. Ron Colvard has dedicated many years to teaching students the history and government of the United States of America with enthusiam and zeal. Mr. Colvard, a dedicated Georgia Bulldog fan, also serves as the chair person of the Social Studies department and in the past has even served as yearbook sponser.

Because of all you have done for us here as Jones County High School, the growl staff says, "Thanks, Dr. Bobinski and Mr. Colvard!" This one's for you!

Spirit Week

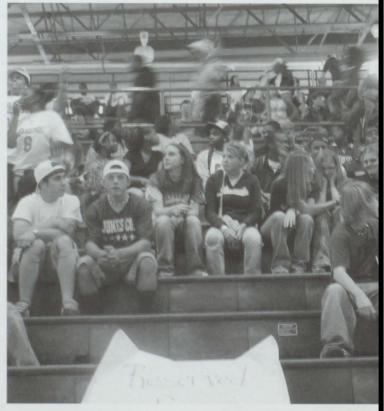

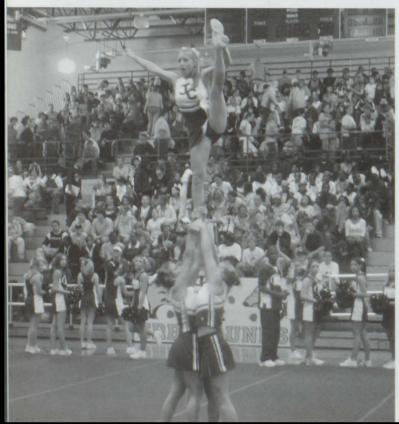

This year's Spirit Week was very exciting. The days for this year were: Twin or Hero Day, Wacky Day, Red, White, and Blue Day, Decade Day, and Purple and Gold Day. Most of the student body and even some of the teachers participated in Spirit Week. The parade, held Thursday afternoon, was a success as usual. A great deal of hard work and dedication was seen in the beautiful floats. The Senior float won the Greyhound Award and the French Club won Best Design. Thanks to all for a great Spirit Week.

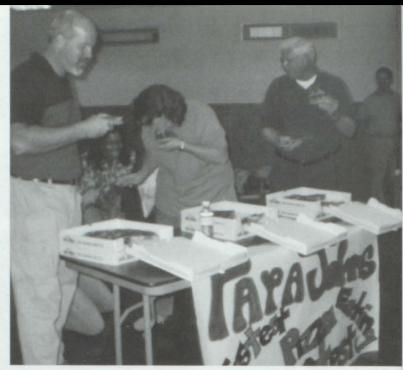

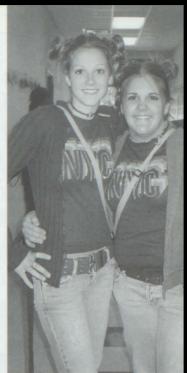

Homecoming Court

Spirit Week was filled with excitement and anticipation as the week came to an end with our annual homecoming game. The half-time show was one of the highlights of the evening which featured representatives from campus clubs and organizations, as well as representatives chosen by each class. The crowd was on their feet with the announcement of our homecoming court -2nd runner-up, Miss Ashley Appling, 1st runner up Miss India Dennis, and the crowning of the 2003-2004 Homecoming Queen, Miss Melissa Hill.

See You At The Pole is held the third Wednesday of each month. It gives students the opportunity to worship God among their peers. Each month, at both 7:15 and 8:00 am, students have the chance to sing, pray, and discuss their concerns about the world with one another.

One Act Play

This year's one act play - Winners - was certainly a winner. After a performance at JCHS, the cast and crew were off to region competition. Tech crew members Stephanie Van Wagoner and Emily Hussey made sure the actors had everything they needed and kept the show flowing smoothly, while Ms. Scamihorn directed. While at region, they swept the awards ceremony, with the play itself taking first place and Johnna Terrell and William Tanner receiving Best Actress and Best Actor. respectively. At the State Competition one week later. Winners captured a very respectable fourth place. The cast and crew, along with Ms. Scamihorn, truly represented Jones County High School well this year.

Costa Rica

On April 4th 2003, Mrs. Bowden, Mrs. Perry, her daughter Gena, Curtis Duke, and Katrina Mitchell arrived in San Jose, the capital of Costa Rica. The group checked into the Arenal Vista Lodge. From their rooms, they could see the Arenal Volcano and at night, they would watch lava come out of the volcano. They left the Arenal and went to Monteverde. To get there they rode horseback four hours through the rainforest, over mountains, and across a river. The main places they visited were: Arenal Volcano, Monteverde Cloud Forest, and the beach at Puntarenas. One of the most fun parts of the trip was the fact that there was a birthday to be celebrated, Gene Perry's fourteenth, to be exact. It would be celebrated Costa Rican style. Before lunch, the group surprised her by cracking eggs over her head. Then, after dinner, they presented her with a cake. But there's a twist. "In Costa Rica, you take the first bite of the cake without using any utensils or your hands. You just bend over and dig in!" When Gena did so, the group shoved her face in the cake! Mrs. Bowden spoke for everyone when she said, "This trip was the best experience of our lives."

England

After an overnight flight from Atlanta, the group landed tired, but ready to see London, Europe's largest city. While on the tour, the group took in two plays in the West End, the Broadway of London. They traveled to Stratford to see the birthplace of Shakespeare. They also attended a workshop taught by a Shakespearean actor who instructed them in the techniques used to write and perform plays of that time. They then went on a tour of the Globe Theatre where most of Shakespeare's plays were performed. The group also toured the British Museum and the Tower of London where the Crown Jewels of England are housed. The group traveled to Oxford University, Stonehenge, and Bath to see the Ancient Roman Baths as well. After a fun filled week in the Mother County all were ready to return home to America. The travelers included Christy Andrews, B.J. Knight, Elizabeth Keith-Olsen, Trent Mosley, James Newberry, Andrew Pope, Sara Pope, and Ms. Whatley.

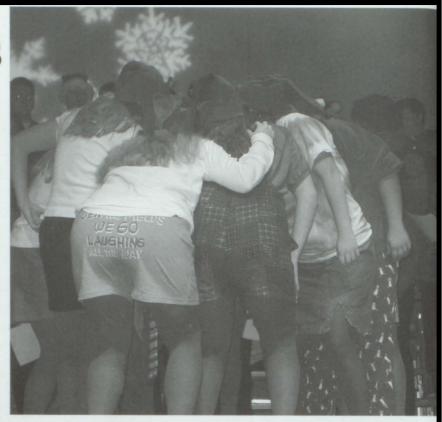

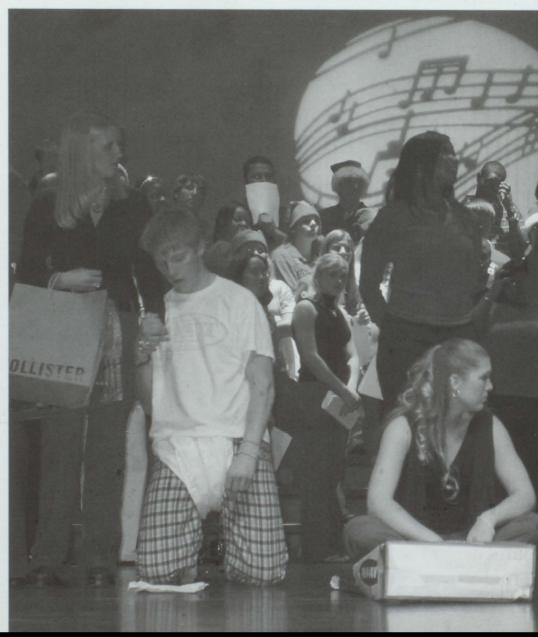

White Christmas

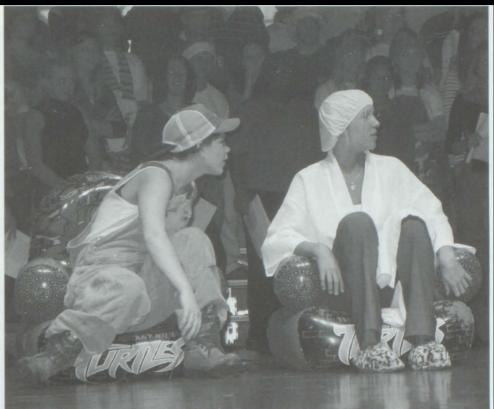

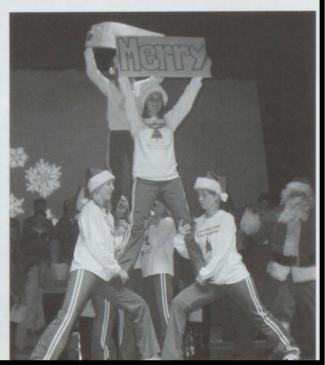

The Class of 2004 hosted the 34th annual White Christmas program on Tuesday, December 16,2003. It was a night full of laughs, excitement, joy, and fun for all who participated and attended. All proceeds from the event will go to various charities in Jones County to help out with presents and food for young children and families this holiday season. The Senior Class would like to thank everyone for their participation and support in making this years White Christmas such a success.

Seniors Crystal Reynolds and Brittany Tharpe were able to assist the officers in developing some of our most difficult choreography to date. We kicked our way to Best of Class at both competitions and Best Overall in Warner Robins. The dancers on this team are a dedicated group of young women that work as hard as any other athlete on this campus. Mrs. Roberts feels blessed to be surrounded by such strong character and ability, and can't wait until next year!

Key Club

Key Club is a service organization to the community. The club is involved in various activities throughout the year. The officers are Rebecca Morgan, Mia Dobbs, Brittney Tharpe, and Crystal Coker. Other members include Steven Martinez, Loree Martinez Jessica Ross Lawrencia Blount, and Andy Orlando.

Intro to Teaching

Intro to Teaching is a year long class taught by Coach Daniel Lewis. Students in the class take daily trips to Gray Elementary to work with the teachers and students there. Once every nine weeks, the high school students must teach a lesson to their classes and are graded on their lesson. Interacting with the teachers and children help the students learn about what qualifications must be met in order to get into the teaching profession. It is a great opportunity to work one-on-one with children, and this interaction can help students decide what they might want to do in their future careers.

Student Council

Student Council has had another exciting year with fundraisers and planning homecoming. The biggest accomplishment of the year was our turkey fundraiser; we raised lots of money for needy families to have a Thanksgiving dinner. Students and teachers had lots of fun and Student Council was glad to be a part of it.

By definition, a mirror is something that gives a true representation or an exemplary model. The twenty-two students pictured on these and the previous two pages are true examples of mirrors. Each year the administration and faculty of Jones County High School nominates and selects seniors as Mirror Students. These students are chosen because they reflect the representation of the ideals of Jones County High School and therefore set an exemplary Student because people consider me example for other students to follow. Congratulations to this vear's Mirror Students.

In everything you do, put God first and He will direct you and crown your efforts with success. Proverbs 3:6 I would like to thank God for blessing me so much. To my parents, thank you so much for your support. I would also like to thank my family and friend for many great years filled with unforgettable memories.

I was probably chosen as a Mirror "successful". What is success really? You are an individual. Do what satisfies you, and at the end of it all you will be more successful than most. "[All men] are endowed by their Creator with certain unalienable rights; that among these are life, liberty and the pursuit of happiness.' - Thomas Jefferson

Set your goals and dreams high. Go after them. If you fall down, get back up with even more determination. remember you can do anything with Christ and hard work. I would like to thank my Mom and Dad for always believing in me and helping me reach my goals. I would also like to thank my teachers from kindergarten to high school who have helped me along the way.

Maggie Moughon

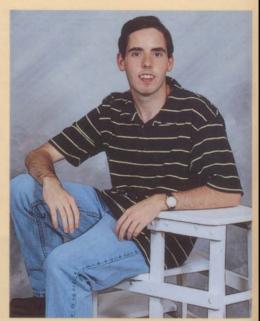

Matt Mayhue

"The end depends upon the beginning." - The Emporer's Club I'd like to thank my parents, sisters and friends for making my beginning an interesting, yet irreplaceable one and leading me to a hopefully successful and fulfilling end.

People are not going to remember what you did for yourself. They are going to remember what you did for others. Yoga!

I want to thank God for the wonderful life I have had. I would like to thank my parents for making me try harder if I didn't get something and go the distance when I wanted to quit. Last but not least, thank you Jones County High School students and faculty for giving me four awesome years filled with wonderful memories and happiness. "Give me a lever and a place to stand and I will move the world." - Homer

The true test of character is not how much we know how to do, but how we behave when we don't know what to do.

John Holt I would like to thank God, my Mom, my sister, family, friends, teachers and the administrators that have helped me make it this far and have taught me to never give up.

Krista Weiner

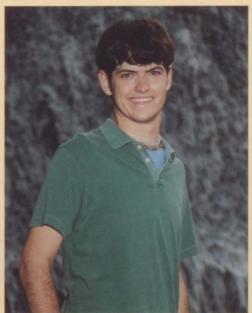

Glenn Sargent

No matter what happens in life, always keep your head up, be positive and always smile.

Duty is the sublimest word in the English language. Do your duty in all things. You cannot do more, you should never wish to do less. - Gen. Robert E. Lee I would like to thank my family, teachers, and friends for believing in me and pushing me to do my best. Remember, no goal you have is ever unattainable.

Lee Whitaker

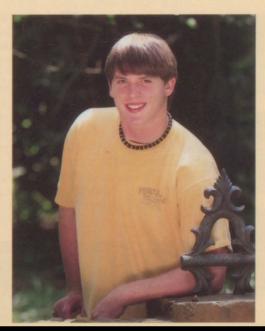

Christa Vongsavanh

Be who you are and say what you feel, because those who mind don't matter and those who matter don't mind. - Anonymous My thanks goes out to everyone who has helped and believed in me throughout the years. Sometimes it's the little things in life that mean the most to you.

Act as though you were to live forever, and live as though you were to die tomorrow. - Anonymous I would like to thank my teachers and my coaches who taught me many of life's lessons. Most importantly, I would like to thank my family for giving me everything I could ever need or want.

Dear Stephanie,

None of us has a long time here on planet Earth. It's a kind of staging ground. It's your split

second in eternity when you have an opportunity to invest your time, your talent, and your treasure to help fulfill what Jesus came into this world to do. In fact, His last words before He left to be with the Father were, "Be My Witnesses." Remember, Steph, where ever you go and whatever you do: "Let Jesus' Light shine." You have brought so much light to our lives and we love you very much.

My Angel, My Sweet Amber Marie

March 20th, 1985 God gave me a another gift To my great suprise A special angel was born that day To bring joy to my life in every way Tiny little hands and feet, Cheeks so rosy, And a smile so sweet

Oh! How I love to hold her tight And listen for her cry through the night. Eves are blue and sparkle with love. It is such a blessing this gift from above. How I love to watch her play In her world of make-believe In her play house with her Barbie Dolls And watching her while she is riding a bike. Just to see her so happy was a wonderful sight. With my Amber I am proud to walk in the country

Each time I pray when the day is through For giving the special Angel to me My Amber, My sweet Amber Marie. Written by: Nanny

Even though we haven't had you since the Beginning, we are thankful for the time that we have all spent together. We have watched you grow and learn from what you were to what you are now. We've been there to notice all the significant changes and to listen to all your troubles and that is the important part. We are very proud of all your achievements and we know that

Son, blessings can come from all different kinds of areas and sometimes are unexpected. We were saddened by the way you came to us, but raising you has been a priviledge and an experience we would have traded for no other. Remember to keep the Lord first and everything else will fall into place. We love you and are proud of you!
